

Fee Schedule Agreement

- Formal Application: \$100.00 (non-refundable)
- Questionnaire: \$100.00 (non-refundable)
- Home Study: \$1500.00 for Wichita and contiguous counties; \$2100, non-contiguous counties (non-refundable)
- Placement Fee: \$13,000.00 (non-refundable)
Minimum payments of five hundred dollars a month will begin the first month after the home study has been approved and will continue until paid in full. If a placement is made prior to this fee being paid in full, then the remainder shall be paid in full at the time of adoptive placement.
- Pass Through Expenses
These are expenses occurred by the agency on behalf of the birth parents, such as housing, utilities, food, and clothing, as well as expenses occurred for couples out-of-state. The couple will be allowed to reimburse the agency monthly during the six-month post placement period. The couple is not responsible for the expenses incurred if the placement is not made.
- Post Placement Supervision: \$750.00 (WF + contiguous); \$1250.00 (outside, non-contiguous)
- Legal Fees and Court Costs: The acting attorney will bill these fees; all legal expenses must be paid in full in a timely manner directly to the attorney's office.

We have read the Fee Schedule for Inheritance Adoptions and understand the financial commitment we are making with this Agency. We are sensitive to the fact Inheritance Adoptions is a non-profit agency and does not have the funds to cover costs related to an adoption without immediate reimbursement from us, the adoptive couple. We further understand falling two months behind on placement fee payments without approval from the Executive Director will cause a suspension of our profile and services with the Agency. To avoid this, we will communicate any questions or concerns with the Agency.
